

M-TEX

Texture and colour chart.

Made in Australia and developed to perform in the harsh Australian climate, the M-TEX range of stunning textures and finishes beautifully transform any home. Finishes are available in a wide range of colours and the chart below is a guide to this season's colour trends.

Features:

- Transform any substrate into a rich, tactile surface.
- Made in Australia.
- Developed to perform in the harsh Australian sun.
- Wide range of colours.
- Stunning architectural textures.

Disclaimer:

Colours displayed should be used as a guide for your colour selection. To ensure best accuracy, test your colour choice on the substrate and texture you decide upon.
